Describe your ideal school social area

- Comfy seats
- Games /gaming room
- Music / CDs
- Bean bags
- Video games
- Sofas
- Nice design
- Sport
- Outdoor shelter
- Food
- Television
- Tables
- Computers
- Books

It would be a mixture of the cafeteria and the library. Somewhere we could talk.

Light, airy, beautiful, and inspiring.

Nice seating areas, vibrant colours and just a place to generally relax. (Fish are relaxing maybe a big fish tank full of fish.)

Stereos, CDs, computers, easels, paints, big stereo speakers, wide screen TV with lots of DVDs and videos

Tasty food. Lots of comfortable seats and areas where tables aren't all together so you can have privacy but not isolation.

TVs, sofas, soothing lights, a quiet area, games, groovy wallpaper, lava lamps, heaters, a selection of art equipment

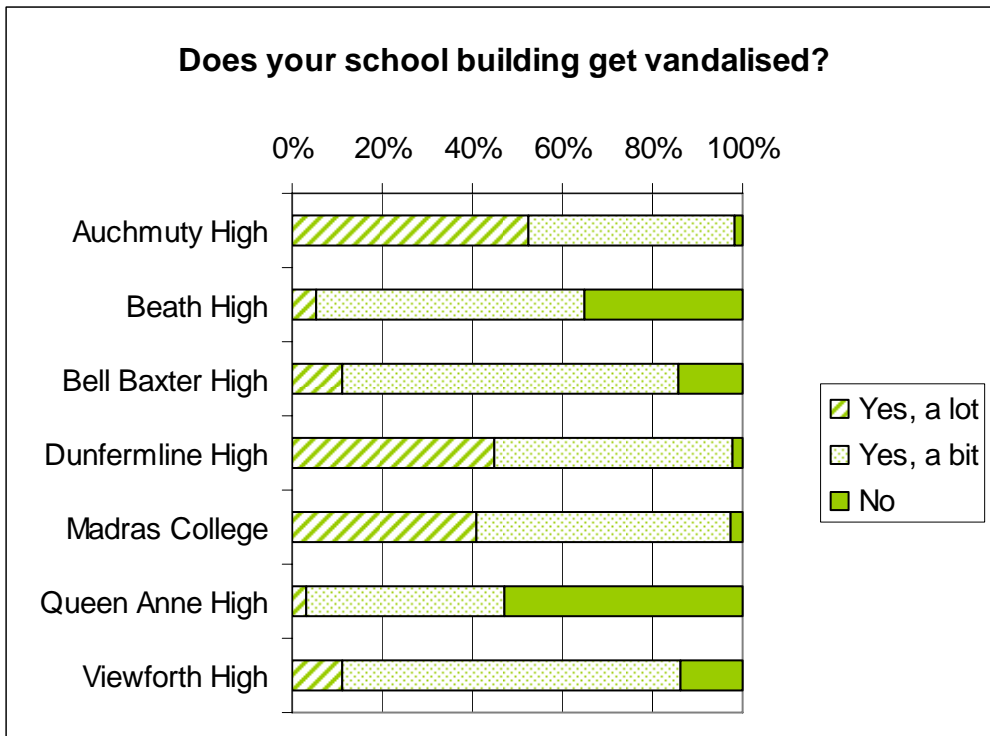

% of pupils saying toilets are their least favourite space in the school

Auchmuty High	54%
Beath High	33%
Bell Baxter High	38%
Dunfermline High	44%
Madras College	55%
Queen Anne High	34%
Viewforth High	50%

Recommendation

The results suggest that the following school spaces are particularly important to pupils:

- sports facilities
- dinner halls
- locker areas
- libraries
- playgrounds
- common rooms
- toilets
- social areas

It is recommended that the design of these spaces be explored in more detail with pupils using creative methods of engagement.
